

STRUCTURE SPECIFICATION SEMINARS

December 13, 2002 (Sacramento)

Greetings! Please refer to the detailed listing of required materials and where you can access them below.

Participants in Track 1 are required to review the sample project plans and foundation report provided and then make an honest effort to prepare an item list prior to arriving for the session. By preparing in this manner, we will be able to focus our time and provide the greatest benefit to you all.

Additional information regarding refreshments, lunch, etc. will be sent later this week.

TRACK 1

Farmers Market 3 – Main Conference Room

Items to be downloaded and printed by the Attendees

- (<http://www.dot.ca.gov/hq/esc/structurespecs/>)
- (PDF) version of Main Street Overcrossing Plans (8-1/2 x 11 or 11 x 17)
- Foundation Report
- Structures Item List

Items also available at the above address:

- Caltrans PS&E Guide
- Bridge Design Aids (Section 11)
- Complete Set of Structure SSPs and Reference Specifications (The electronic version has been modified for this class. When copied back to back, they will fit nicely in a medium size binder).
